SALESIAN MISSIONARY INTENTION

IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

For Salesians in the Americas

That they may keep alive in their hearts
the love of Jesus for poor youth.

This is the crucial challenge for all Salesians: to have the courage to open our eyes and hearts to learn about the needs of the poor, refugees and marginalised. They are the fruit of our selfishness. This will also lead to open our structures, our homes and communities to recognise the person of Christ in each of them.
