SALESIAN MISSIONARY INTENTION

IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

For Salesians of America

That, as educators of the young and the laity, they may know how to form in them, in the light of the Gospel, the values of honesty, justice, solidarity and service.

Several countries of America are marked by intense social conflicts and the scourge of corruption.

We are called to educate the young and the laity in the social dimensions of charity, transparency and righteousness. We pray that the educational efforts of the

Salesian Family may bear fruits of justice and solidarity in civil society.
