SALESIAN MISSIONARY INTENTION

IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

For Salesians in areas of conflict

For Salesians who live in various countries that are at war, or experience violent social relations, so that the Lord may enlighten them and make them witnesses of and educators to peace.

On all the continents there are situations of tension, including war, where Salesian presences are on the front line. We pray for their safety and that they may be instruments of dialogue and encounter that lead to a stable peace.
