SALESIAN MISSIONARY INTENTION  
IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

**For the recognition of the rights of Christian communities.**

**So that Christian communities, especially those that are persecuted, can feel the closeness of Christ and their rights be recognized.**

The Salesian Family is found at the heart of the Church and carries out its mission in the five continents, in different contexts; in some of these contexts, the Church is persecuted not only by religious fundamentalism, but also because of secularism. Let us pray that the Salesians may continue to be educators and pastors of the young, and form them to communion and the courage of Gospel witness.
