Christmas 2013-New year 2014

Come Lord and open for us the gates of your Kingdom.

Dear Brothers and Sisters!

It is again the time of the year to greet and wish you with the blessings of the Christmas/New Year seasons. May Christ’s lasting peace and joy be in your hearts!

With this message comes my sincere gratitude for journeying with me in the past year through your prayers and loving support. No need to say that we fared well even in the midst of “spiritual tsunamis” that came our way.

To start with, the year 2013 rolled on with much anxiety in our hearts when my office started to process the renewal of our visas. From April to June most of us became illegal residents since the Immigration and Labor Offices refused to renew our visas, as our number exceeded the number of Quota imposed by the said offices, this year, which is 75/25...meaning: for every 25 foreign missionaries, we have to employ 75 local workers. Sixteen of our missionaries have no right to be here according to the stipulation of the Mongolian law on immigration/labor...or we lack around 60 Mongolian workers in the rooster of our employees. Through connections, however, we pulled through and were given a year of visa. The problem still persists and we’ll see what happens by April 2014, when the time of renewing our residence visas comes again.

A more happy news, however, came when our seminarian, Enkhee, arrived in Mongolia for a break together with 9 of his classmates at the Daejeon Seminary in Korea. They came for their exposure to mission work last July. After the month-long exposure program, Enkhee stayed for another month for vacation and to stay with his family. While having this opportunity, he was very much involved in our parishes/sub-stations in animating our people with his sharing and reflections. We are now praying hard and looking forward to his diaconate next year which will be followed by his priestly ordination after a year and a half. Most probably and God willing, we’ll have the first Mongolian priest in 2016.
Another good tiding that I can share is the opening of our Orbit School, which we have been constructing in the last years. It was opened for enrolment last summer and the school year for Kindergarten started on September 2. Around 85 children (3-5 yrs. old) were admitted and another 60 kids are on a waiting list. There is indeed a need for schools in Mongolia. I am happy with this development although a balance of US$200,000 to pay off construction bills still gives me headaches.

In between, as we celebrated the 21st anniversary of the Church’s presence in Mongolia last July; I also celebrated my 10th Year anniversary as bishop on August 29, the beheading of St. John the Baptist. My trips to the Southern Hemisphere (Australia) in September and my weekend preaching in 2 parishes in Seoul, Korea in October gave me much satisfaction and joy to be able to talk about our mission. Hopefully these might also give relief to the financial burden that still besets the Prefecture.

For all these, however, I am glad and grateful that the Lord has not abandoned us. He keeps bestowing his providence and never tires in accompanying us in all our endeavors. Thank you for your determination, dedication, and steadfast commitment in your various ministries. I can’t recount the many wonderful activities that you did in your own places of work. Suffice it to say that you are all a bundle of blessing/gifts to the Catholic Church Mission in Mongolia. This is a great reason to celebrate the birthday of Jesus, our Lord and Savior.

*A BLESSED CHRISTMAS and A GRACE-FILLED NEW YEAR TO YOU!*

+Msgr. Wens S. Padilla, CICM
Apostolic Prefect/Bishop

*For me Christmas has always been about this: Contemplating the visit of God to his people.*

Announcements

- On December 29 all parishes will celebrate together the *Patron Feast of our Church in Mongolia, the Feast of the Holy Family* in the Sts. Peter and Paul Cathedral at 10:30am. On this occasion the *PASTORAL PLAN* for the years 2014-2016 will be handed over to the parishes, congregations and organizations.
  
  This three years Pastoral Plan will be divided into two stages:
  
  2 years of formation with the objective “*Let us strengthen our faith*” (2014-2015) and on year of mission “*Called to be sent*” (2016).
  
  The first two years of the pastoral plan will not be focused on specific themes as we used to have in the past years but on the preparation or consolidation of pastoral formation programs which hopefully will give a common base and a point of reference to our pastoral engagements over the next years.
  
  The third year of our pastoral plan, following the consolidated pastoral actions of the two previous years will be dedicated to reflect on the fundamental task of our Church of announcing the Gospel in the changing society of Mongolia. Our missionary activities may be organized better in collaboration and networking in order to make our Church more credible and visible in our society.
  
- Our *Bishop Wenceslao Padilla* will be in the Philippines from January 15 to February 14 for a time of rest and vacation.

- *Fr. Paul Won, FDP,* left at the end of November our Mission and went back to Korea. He has been working in St. Sophia parish (Bayankhoshuu) for almost two years. Thank you!

- Aside from the diary with the ongoing activities in our Prefecture, we want to present some *interesting and specific experiences.* In this Newsletter we present the experience “*Come and see*” organized monthly in Darkhan by our Salesian Fathers and Sisters and an activity of the MC Sisters Dari Ekh. You are invited to send your experiences and contributions.
Come and See!

*What is “come and see”?* It is a monthly youth encounter in which some young people aged 14 and above stay overnight in the Salesian community and discern their vocation for priestly or religious life. It provides a way to know the charisms of the various congregations. The “Come and see” program was initiated one year ago by SDB and FMA in Darkhan. Around 10 to 11 young people are attending the program.

This year the vocational meetings started in October 10-11 and Fr. Paul gave the opening session introducing the religious and priestly vocation. Then everyone joined for usual games in the oratory, followed by Rosary and then the ‘Good night talk’, which was also given by Fr. Paul Leung. Sr. Hanako conducted a meaningful adoration service after supper and gave the third session the following morning on the same topic “priestly and religious vocation.”

On November 9-10 again “Come & See group” gathered together. The opening session was taken by Fr. Paul and Sr. Hanako. The “Good night talk” which included all the youth of the Darkhan Parish, was given by Bro. Mario, SDB from Italy, and 50 years missionary in Korea, Africa and China. It was a wonderful sharing of missionary life experience. Br Andrew, SDB, took two sessions. In the first session, he shared his own vocation story. In the second session his emphasized on the uniqueness of the brotherhood vocation. It was appreciated by all the participants. Heartfelt thanks to Bro. Andrew and Bro. Mario!

Fr. Anthony Kishore, SDB
The higher authority of the government office approached us for help of an old man of 82 years and his retarded son of around 30 years. The father has been thrown out of the ger and is rejected (together with his son) by his two normal sons. We bought a ger for them and furnished it fully for they had nothing with them except the clothes they wore. We settled them in Honhor and visit them every week to see their needs of food, clothing, coal/wood and other necessities. Especially we help them also with all the paper work with different offices. May God bless them and may they experience through our work of love, that there is a God who loves them.
