Subject: Participation in the International Meeting on Salesian Pedagogy during the Bicentenary year

Dear confreres,

The Bicentenary year has already begun; cultural, spiritual and pastoral initiatives are taking place at local and provincial levels, and also at world level.

We are approaching the dates set for the International Meeting on Salesian Pedagogy, which will be held at Rome **from the 19th to the 21st of March 2015**. This Meeting is promoted by the Rector Major and organized by the Salesian Pontifical University. It has for its theme: "With Don Bosco, educators of the young people of our times." I am attaching herewith the programme and the time-table.

We are inviting to the Meeting at least **1 representative** from each province, vice-province or circumscription; the participants can be Salesians and lay people, professors of pedagogy, provincial formation delegates, provincial youth ministry delegates, rectors or principals of postnovitiates, those responsible for the IUS... For the most part, the conferences will be delivered in Italian and simultaneous translation will be available in English and Spanish.

The **enrolment** must be done in one of two ways **by the 31st of December 2014**:

- Those who intend to *take part in the Meeting and stay overnight at the "Salesianum"*, must send to **Fr. Saimy** the names and surnames of the participants and their e-mail addresses. The fee for each participant will be € 200. Fr. Saimy's e-mail address is: sezhanikatt@sdb.org
- Those who intend to *take part in the Meeting without staying overnight at the "Salesianum"*, must send to **Dr. Carmen Barbieri** the names and surnames of the participants and their e-mail addresses. The fee for each participant will be € 60; there is also the possibility of buying coupons for the meals. Dr. Carmen's e-mail address is: convegnopedagogia2015@unisal.it

I thank you for your attention and greet you cordially.
