(Capriglio 01/04/1788 - Torino (Valdocco) -25/11/1856)

O God, Good and Merciful Father, you have given to the Salesian Family the mother of St. John Bosco, Mamma Margaret. She is also an example and support for our family today. Strengthen the father in the family in his mission of being a loving example and sure support for his children. Fill the heart of the mother with love and tenderness in guiding her children to you. We entrust to you our families and our children. Let the Salesian Family be always faithful to your love and continue to be a witness to the teachings of Mamma Margaret. I ask you, through her intercession, to grant me ... (express the desired grace).  
Venerable, Mamma Margaret, pray for us.
